
Visual C Programming Yashwant Kanetkar Pdf Download _VERIFIED_

Download

Yashavant Kanetkar is an Indian computer science author known for his books on programming languages. He is the author of several books on C, C++, VC++, C#, .NET as well as Java. His work is also widely used in the field of web development, but he is best known for his books - textbooks on programming languages. His C++ and VC++ books have gone through over 200 editions, and his C# and Java books have also been translated into many languages. C# for Professionals is the first of three books written in collaboration with his wife and colleague Sharon. This book explores in detail all the features of the C# language using the example of developing applications for Windows.
